

An abstract sculpture composed of several translucent, white, teardrop-shaped elements arranged in a symmetrical, star-like pattern. A thin, orange wireframe structure is superimposed over the sculpture, connecting various points on its surface. The background is a solid, light gray.

INTRODUCTION

WE ARE KOLEKTIV

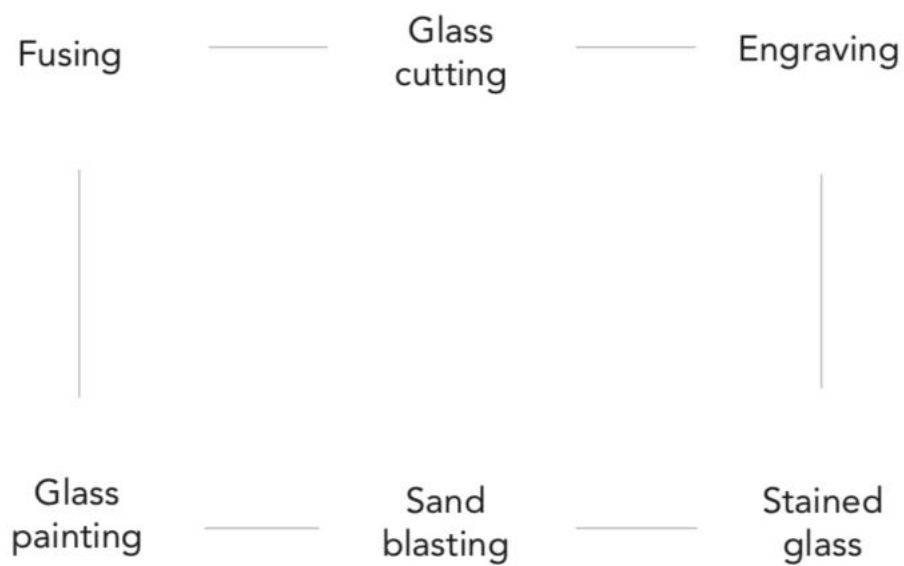

WE CONNECT PEOPLE THROUGH BEAUTY

KOLEKTIV is a Czech Republic based boutique company that offers specialized range of premium bespoke design and production services in luxury glass segment. Our brand formed from the passion of our founders, young generation of glass artists who master the complete range of the glass manufacturing techniques. For almost a decade now, we bring to our clients innovative solutions with a strong focus on detail and quality. Welcome to our world where the tradition of glassmaking has been rooted in the hearts of artists for centuries!

Each of the ateliers that form the Kolektiv has been a skilled leader in their particular field of glassmaking. We believe that only perfect craftsmanship is the way to products of lasting value.

ATELIERS

HANDBLOWN GLASS

Hand-blown glass as the prime material is exclusively melted for most of our bespoke projects.

RARE HANDCRAFTS

Innovative approach to traditional crafts of glass making is refreshing and exciting at the same time. For only the craft that develops and improves over time can keep pace with the fast changing trends.

Kolektiv has a long-standing cooperation with designers who brighten up your world with their unique creative ideas.
